

# BILLET HOMES NEEDED

Keep **South Central High School** a quality high school by supporting the **Badlands Baseball Academy**

The Academy is looking for **6 homes for the 2018/19 school term**. The Academy offers a stipend of \$500 per student. All persons in the household over 18 will be required to have a **Criminal Record Check**.

Billet homes are essential to the programs existence. Without homes the **Academy** suffers and the well-being of our **High School** suffers.
