Camp Philosophy

Baseball is meant to be fun. Our goal is to have all the participants have exactly that. Participants will have the chance to learn and develop new skills from the Academy's coaches and players. They will learn the game of baseball in a fun environment where success is based on learning and having fun. It's our goal to give each of the participants a better understanding of the game of baseball all while having a smile on their face. Jeff Amos, Head Coach

Can't wait to see you at the CAMP! Thank you for supporting the Academy!
